

How to Figure Out What You *Really* Want from Your Business

with Janine Mathó, Coach-in-Residence

10 September 2024

Reflection 1: Getting clear about what you want

- A. When you first started your business, what did you hope it would bring to your life?
- B. Are you seeing those benefits in your life or business right now? What's working well for you? What's missing or not working? What steps have you take so far to remedy the situation?

Reflection 2: Closing the Gap to Get from 'Here' to 'There'

What I'd like my business to bring into my life	Steps I can take this week to get what I want from my business
